FACULTY

CONGRATULATIONS!

Drs. Richie Kohli and Harjit Singh Sehgal are now proud parents of two lovely girls. Born on March 12, their second daughter Sachipreet (meaning true love) arrived on her older sister, Jasleen’s birthday! She weighed 6 lbs, 4 oz and measured 20 inches. Both Mom and baby are doing well.

DR. JACK FERRACANE WAS INDUCTED INTO THE COLLEGE OF FELLOWS OF AIMBE, the American Institute for Medical and Biological Engineering, at the 25th annual meeting in Washington, D.C., April 3-4, 2016. AIMBE is an honorific society of the top 2% of medical and bioengineers in industry, academia, clinical practice and government. Great work Jack!

STUDENTS

SEALANT DAY AT BUCKMAN ELEMENTARY

Earlier this spring, the School of Dentistry continued its long history of service to elementary school students in our community. Pediatric residents helped to screen children from the Buckman Elementary district in Portland to determine their need for sealants. At the designated day, those in need came to the school and received treatment on board a mobile dental treatment van secured by Dr. John Engle, Pediatric Dentistry Chair.
The 17-year old sealant program with Buckman Elementary is led by Mary Ann Haisch, assistant professor in Community Dentistry and longtime coordinator of Sealant Day activities. This year, 37 students received sealants and over the years, many hundreds of children have been treated and provided with special home care instruction, new toothbrushes, and a great dental experience.

**SOD STUDENT POSTER PRESENTATIONS AT OREGON DENTAL CONFERENCE**

Students presented 9 research posters and 10 CaseCAT posters at the Oregon Dental Conference on Saturday, April 9. The posters were reviewed by two teams of dentists from the community. The judges were unanimous in their praise and enthusiasm for the excellent work done by our students. Cash prizes, sponsored by the Oregon Dental Association, the Alumni Association and the Dean’s office, will be awarded at an upcoming assembly.
STAFF

NOMINATIONS FOR THE MARCH SMILE AWARD DUE BY APRIL 22

The purpose of the Smile Award is to recognize School of Dentistry staff for outstanding service and dedication to the School of Dentistry, OHSU, patients, and customers. Each month an employee will be recognized for demonstrating a positive behavior – OPTIMISM is the attribute for March - that supports the OHSU Core Competencies. Anyone may submit a nomination for the award.

To nominate someone, fill out a nomination form and email it to kennen@ohsu.edu or drop it off in 5N054. Forms are available from the HR Manager’s Office (5N054), 8th floor break room bulletin board, and online on the SOD Bridge under ‘Policies and Procedures’.

SUMMER WORKERS – A NOTE FROM HUMAN RESOURCES

As summer approaches there is an increase in the number of students looking for internship, volunteer, and job opportunities. If you are interested in bringing anyone to the School of Dentistry please contact kennen@ohsu.edu or justus@ohsu.edu. No person may be at the School of Dentistry, as a volunteer, student employee, or otherwise until fully approved and all compliance items are complete.

EVENTS

EARTH WEEK AT CLSB
THURSDAY APRIL 21ST: 10:00AM - 2:00PM CLSB LOBBY

DID YOU KNOW? IN CASE OF EMERGENCY

REQUESTING AN AMBULANCE FOR SOD CLSB EMERGENCY

Call (503)-494-4444; tell them you need an ambulance at the School of Dentistry
Stay on the line to talk to 911 operator; explain nature of emergency and exact location*
*2730 SW Moody, North tower, give floor and room #; EMTs to enter the SoD at the corner of Moody & Meade

Send two people to meet the emergency responders at the corner of Moody & Meade
Call staff on P1 (503)-494-5637 to let them know an ambulance is coming, and for help call
• Tammy Stange (503)-494-4817, or
• Vocera (503)-494-9809: ask for Tammy, Annette Lyons, Shawna Moss, or Gina Bainbridge.
Let them know you need their help meeting & escorting the EMTs to your location.
Building Management can also help (503)-418-8890

Staff on P1 have elevator override key for the service elevator to hold for EMTs.
Meet EMTs at corner of Moody & Meade, escort to service elevator on P1 and to patient.
Note: The fire department will arrive separately and will require another escort.

Please submit news items to bites@ohsu.edu
