

When adults rethink
challenging kids,
amazing things can happen.

Are you a parent or caregiver that has had previous exposure to the **Collaborative Problem Solving Model** and are using the model with your children and family?

Do you sometimes wish that there was a place you could go to ask questions, troubleshoot or get ideas about CPS when you get stuck?

CPS Parent Support

2nd Wednesday of each Month
12-1pm

***Click the link below to join the online
videoconference:***

To Join by phone call: **503-444-9598** and enter Meeting ID: **784036147#**

The **Collaborative Problem Solving Project at OHSU** is happy to announce that starting February 2018 we will be extending our support to parents and caregivers to include a *FREE monthly conference call* for parents who are using CPS in their homes.

- Call or video in to the link above between 12-1pm on the **Second Wednesday** of each month
- A Think: Kids Certified Trainer will be available to answer questions about the CPS Model and to help troubleshoot situations
- Are you interested in taking a CPS Class or have other questions please contact us at 503-346-1490 or email Cps@ohsu.edu
