Marie Equi: Radical Politics and Outlaw Passions (Oregon State University Press, 2015) traces the life and work of the extraordinary physician and activist, who graduated from University of Oregon Medical School in 1903.

From Oregon State University Press:
“This much-anticipated biography will engage anyone interested in Pacific Northwest history, women’s studies, the history of lesbian and gay rights, and the personal demands of political activism. It is the inspiring story of a singular woman who was not afraid to take risks, who refused to compromise her principles in the face of enormous opposition and adversity, and who paid a steep personal price for living by her convictions.”

Michael Helquist is an acclaimed author, journalist and historian. His work has appeared in such publications as The Advocate, American Medical News, and Oregon Historical Quarterly.

Please join OHSU Library and author Michael Helquist for a discussion of OHSU alumna Marie Equi
Thursday, September 17, 10am—11am
