Dear Dr. Emeis,

We would like to thank you for submitting your program's Annual Monitoring Report (AMR) for the reporting period of January 1-December 31, 2015. We have finished reviewing your AMR and would like to congratulate you and your faculty for continuing to be in compliance with the ACME accreditation criteria.

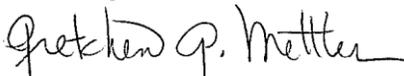

Please note Criterion I. D.2.a. Current accreditation status from the Accreditation Commission for Midwifery Education (ACME) including the address, telephone number and electronic address for ACME. In the past ACME has provided an example of the information to post. Our administrative office assistant has changed; please update your website to include the following, more generic contact information that meets the criterion.

The (name of program) midwifery program is accredited by the Accreditation Commission for Midwifery Education (ACME), 8403 Colesville Road, Suite 1550, Silver Spring, MD 20910; 240-485-1802, www.midwife.org/acme.

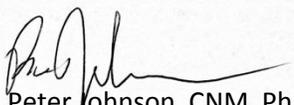

Please have your website updated by **October 14, 2016** with the corrected information and provide the URL in an email to Heather Maurer at hmaurer@acnm.org.

ACME would like to thank you for all of your efforts to educate high-quality midwives, who are essential to women and children's health. We believe that the accreditation process is an important factor in ensuring excellence in midwifery education. Please do not hesitate to contact us with any questions regarding the accreditation process. We are available to support you and your program and its continued success. Again, congratulations on your achievement!

With all good wishes,

Gretchen G. Mettler, CNM, PhD, FACNM
Chair, ACME Board of Review
