Portland, Oregon

5 AMA PRA Category 1 Credits™
2012 Advances in Multidisciplinary Treatment of Thoracic Cancer

Faculty

Alan Sandler, M.D.
Professor of Medicine, OHSU Division of Hematology & Medical Oncology

Bart Moulton, M.D.
Assistant Professor of Medicine, OHSU Division of Pulmonary & Critical Care Medicine

Christopher Corless, M.D., Ph.D.
Vice Chair for Research and Professor, OHSU Department of Pathology; Medical Director, Knight Diagnostic Laboratories

Paul Schipper, M.D., F.A.C.S., F.A.C.C.P.
Associate Professor of Surgery and Program Director, OHSU Division of Cardiothoracic Surgery

Bill Putnam, M.D., F.A.C.S., F.A.C.C.P.
Professor and Chair of Thoracic Surgery; Professor of Biomedical Informatics, Vanderbilt University Medical Center

Ariel Lopez-Chavez, M.D.
Assistant Professor of Medicine, OHSU Division of Hematology & Medical Oncology

Hak Choy, M.D.
Professor and Nancy B. & Jake L. Hamon Distinguished Chair in Therapeutic Oncology Research, University of Texas Southwestern Medical Center, Department of Radiation Oncology

Leora Horn, M.D., M.Sc.
Assistant Professor of Medicine, Vanderbilt-Ingram Cancer Center; Assistant Director, Educator Development Program; Clinical Director of the Thoracic Oncology Program

Course Objectives:
This program will describe the new clinical staging systems and the updated pathologic staging considerations for lung cancer.

At the end of this course participants will be able to:
- Identify new pathological markers used in the diagnosis of lung cancer as potential guides for targeted therapy
- Identify the latest data and options available for the screening of lung cancer
- Differentiate between adjuvant and neoadjuvant chemotherapeutic approaches for surgical patients
- Identify new radiation treatment modalities for lung cancer patients
- Describe the molecular biology of lung cancer in simple terms and how it relates to treatment
- Apply the latest data on targeted approaches in the care of patients with lung cancer
- Apply the principles of drug discovery for the next generation of targeted therapies
- Utilize the latest treatment strategies for managing patients with small cell lung cancer to improve outcomes

Accreditation:
Oregon Health & Science University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit:
OHSU School of Medicine, Division of CME, designates this live activity for a maximum of 5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Location:
The Center for Health and Healing, OHSU
3303 S.W. Bond Avenue, 3rd floor, room 3070
Portland, Oregon

Registration:
Tuition includes continental breakfast, lunch and all course materials. Early registration is encouraged as enrollment is limited.

For more information, please contact Carrie Krenkel at 503 494-5586 or krenkel@ohsu.edu or visit www.ohsuknightcancer.com/lungcancermce to register online.
