Mended Hearts: Celebrating Survivorship

For women survivors of cardiac disease

The Center for Women’s Health is partnering with the Knight Cardiovascular Institute to host a monthly survivorship group for women experiencing cardiac disease.

Join us the first Wednesday of each month for peer-to-peer mentoring, advice from cardiovascular experts, and support as you navigate life after a cardiac event.

BEGINS: February 7, 2018
CONTINUES: First Wednesday each month

Center for Women’s Health
Kohler Pavilion, 7th Floor
808 SW Campus Drive
Portland, OR 97239
