

Autism Resources

Resources for Educators:

- Oregon Early Intervention/Early Childhood Special Education (EI/ECSE), <http://www.ode.state.or.us/search/results/?id=252>
- Regional Program for Autism, Oregon Department of Education, <http://www.ode.state.or.us/search/results/?id=184> , and the RPAT Project and STAR curriculum, <http://www.ode.state.or.us/wma/teachlearn/conferencematerials/sped/2011/orpatshandout.pdf>
- Autism Spectrum Disorder Resource Site for State of Oregon, project of NWRESA, includes resources for educators and families, notification of upcoming presentations/trainings, <http://www.orasd.org/home>
- Autism. Hand in Hand portal is a special education resource designed for parents, behavior interventionists, teachers and others involved in the lives of children with autism. It provides information, examples of instructional programs and play date activities, and materials to construct visual schedules and social stories, <http://www.autismhandinhand.com/welcome.htm>
- National Professional Development Center on Autism Spectrum Disorders, <http://autismpdc.fpg.unc.edu/> , includes Early Identification of ASD Module, Evidence-based Practices, Autism Internet Modules (OCALI), ASD online course and presentations and website resources
- The Ohio Center for Autism and Low Incidence (OCALI) has developed a series of training modules on autism spectrum disorders for educators on screening and identification as well as interventions, content is free and certificates of completion are available at a \$10 charge per credit hour, <http://www.autisminternetmodules.org>
- The Autism Spectrum Disorders Knowledge Path of the Maternal and Child Health Library at Georgetown University is a comprehensive autism resource site, http://www.mchlibrary.info/KnowledgePaths/kp_autism.html

Disability and Educational Rights:

- Oregon FACT (Family and Community Together) was awarded the contract to be Oregon's new Parent Training and Information Center (PTI), http://factoregon.org/?page_id=52
- Disability Rights Oregon, <http://www.disabilityrightsoregon.org/>

General Resources for Families:

- Oregon's regional navigation service maps to support families who have a child with a new diagnosis of an ASD, <http://www.oregonfamilytofamily.org/navigation.html>
- Autism Society of Oregon, www.oregonautism.org
- Autism Spectrum Disorder Resource Site for Oregon, resource library with articles and books for families, visual and social story resources, <http://www.orasd.org/autism-resource-library>
- Autism Speaks Family Services, <http://www.autismspeaks.org/family-services>
 - Toolkits (First 100 days, Dental, Sleep, Blood Draw, Haircut, Medicine decision making and more), <http://www.autismspeaks.org/family-services/tool-kits>
 - Visual tools, <http://www.autismspeaks.org/family-services/resource-library/visual-tools>
 - Autism apps, <http://www.autismspeaks.org/family-services/autism-apps>
 - Resource library, <http://www.autismspeaks.org/family-services/resource-library>
 - Family Support Toolkits (parents, grandparents, siblings, friends), <http://www.autismspeaks.org/family-services/family-support-tool-kits>
 - Community connections, <http://www.autismspeaks.org/family-services/community-connections>
 - Autism Safety Project, information for hospital emergency staff and first responders, Autism Speaks Family services, <http://www.autismsafetyproject.org/site/c.kuIVKgMZIx/b.5058283/k.BE40/Home.htm>
- Hands In Autism, www.handsinautism.org
 - E-Learning (includes web modules, podcasts, webcasts, how-to videos, and other training videos): <http://handsinautism.org/elearning.htm>
 - Templates for visual supports and strategies, <http://handsinautism.org/tools.html>
 - Information on ASD, <http://handsinautism.org/information.html>
 - Templates for academic activities, <http://handsinautism.org/academia.html>
 - Templates for non-academic activities, <http://handsinautism.org/kidscorner.html>
 - Newsletters, <http://handsinautism.org/newsletters.html>

- Carol Gray's social stories, www.thegraycenter.org/social-stories
- Autism. Hand in Hand portal is a special education resource designed for parents, behavior interventionists, teachers and others involved in the lives of children with autism. It provides information, examples of play date activities and materials to construct visual schedules and social stories, <http://www.autismhandinhand.com/welcome.htm>

Resources for Health Care Providers:

- American Academy of Pediatrics (AAP) Autism Toolkit, <http://www2.aap.org/publiced/autismtoolkit.cfm>
- Resources for Physicians, Nurses and Other Clinicians, <http://www.handsinautism.org/qstart-healthcare.html>
- Autism Safety Project, information for hospital emergency staff and first responders, Autism Speaks Family services, <http://www.autismsafetyproject.org/site/c.kuIVKgMZIx/b.5058283/k.BE40/Home.htm>
- The Autism Spectrum Disorders Knowledge Path of the Maternal and Child Health Library at Georgetown University is a comprehensive autism resource site, http://www.mchlibrary.info/KnowledgePaths/kp_autism.html

Information on Specific Conditions:

- The University of Utah's Medical Home Portal, <http://www.medicalhomeportal.org>
- Diagnosis specific information from the University of Washington's Adolescent Health Transition Project, <http://depts.washington.edu/healthtr/hcp/diag.html>
- Gene Tests, <http://www.ncbi.nlm.nih.gov/sites/GeneTests/?db=GeneTests>
- National Organization for Rare Disorders (NORD), <http://www.rarediseases.org>
- NIH Office for Rare Diseases Research, information on current NIH-funded research studies, <http://rarediseases.info.nih.gov>

Training Materials and Curricula:

- Early Identification of ASD MODULE, National Professional Development Center on Autism Spectrum Disorders, AUTHORS: Sally Ozonoff, PhD, Sally Rogers, PhD, and Linda Tuchman-Ginsberg, PhD
<http://autismpdc.fpg.unc.edu/content/early-identification-asd-module>
- The Center for Disease Control's (CDC) Autism Case Training (ACT): A Developmental-Behavioral Pediatrics Curriculum available online at <http://www.cdc.gov/ncbddd/actearly/ACT/class.html> . A facilitated curriculum to teach physicians in training and other trainees about different aspects of autism identification, diagnosis and treatment. Contributors: Georgina Peacock, Carol Weitzman, and Jana Thomas.
- The ASD video glossary is a collaborative work of Autism Speaks, Florida State University and First Signs. It is a wonderful training resource for the signs of ASD in young children. It also provides brief video demonstrations of several treatment methods. Here's the link:
https://www.firstsigns.org/asd_video_glossary/asdvg_about.htm
- Pre-service Health Training Modules on serving women with disabilities, Human Development Institute at the University of Kentucky, <http://womenshealth.phtmodules.net/>
- Reproductive Health Care for Women with Disabilities, American College of Obstetrics and Gynecology, <http://streaming.acog.org/WomenWithDisabilities/>
- Physician Education in Developmental Disabilities, a 12 part webinar series sponsored by the Florida Developmental Disabilities Council and the American Academy on Developmental Medicine and Dentistry, <http://aadmd.org/page/pedd-webinar-series>
- Emergency Care Webinar series, an 8 part webinar series sponsored by the American Academy on Developmental Medicine and Dentistry, <http://aadmd.org/page/emergency-care-webinar-series>

Newsletters for Families:

- Autism Speaks Family Services page lists newsletters and magazines, <http://www.autismspeaks.org/family-services/resource-library/magazines-newsletters>
- Hands In Autism family newsletter, <http://handsinautism.org/newsletters.html>

Newsletters for Health Care Providers:

- Hands in Autism eTips for health care providers, <http://www.handsinautism.org/newsletters.html>
- UCSF newsletter, Office of Developmental Primary Care, UCSF
<http://developmentalmedicine.ucsf.edu/odpc/>

Documents and Projects:

- Oregon Center for Children and Youth with Special Health Needs Care Coordination Toolkit, http://www.ohsu.edu/xd/outreach/occyshn/programs-projects/upload/OCCYSHN_MATRIX_CareCoordinationToolkit_2011_1117.pdf
- The Center for Disease Control's (CDC) Autism Fact Sheet: University of Southern California University Center of Excellence in Developmental disabilities (UCEDD) faculty, staff, and trainees have translated the "Learn the Signs. Act Early" Autism Fact Sheet into multiple languages following consultation with both parents and health care professionals. The Autism Fact Sheet provides a one-page tool for clinicians to share with families, to raise awareness about developmental delay, autism or other developmental disabilities. The fact sheet encourages parents who have concerns about their child's development to speak with their doctor. The Autism Fact Sheet is available in Arabic, Armenian, Farsi, French, German, Italian, Japanese, Korean, Mandarin, Tagalog, Thai, and Vietnamese from:
http://uscucedd.org/index.php?option=com_content&view=article&id=455&Itemid=426
 - English and Spanish versions of the fact sheet are available from the CDC at <http://www.cdc.gov/ncbddd/actearly/downloads.html>
- Waisman Center's medical home autism services, <https://oregoncommissiononautismspectrumdisorder.basecamphq.com/projects/3871760/file/46207445/ASD%20Waisman%20medical%20home%20autism%20services.pdf>
- RRTC Health & Wellness, OHSU, Barriers Checklist, <https://oregoncommissiononautismspectrumdisorder.basecamphq.com/projects/3871760/file/45165132/barrierscheclistforPWD.pdf>
- Oregon Health Resources Commission's Report on Effectiveness of Treatments for ASD, October, 2008, <http://www.oregon.gov/OHA/OHPR/HRC/docs/Executive.Summaries/ASD.pdf?ga=t>
- The National Standards Project: Findings and Conclusions, National Autism Center, 2009, posted to Health Care committee on Basecamp November 9, 2009, <https://oregoncommissiononautismspectrumdisorder.basecamphq.com/projects/3871760/file/38597861/NAC%20FindingsConclusions.pdf>

Dental Resources:

- Autism Speaks Dental Toolkit, www.autismspeaks.org/family-services/tool-kits/dental-tool-kit
- National Craniofacial Resource Center: www.nidcr.nih.gov/OralHealth/Topics/DevelopmentalDisabilities/ – they have a lot of information for professionals and families as well as CME based trainings.

- National Maternal and Children Oral Health Resource Center, www.mchoralhealth.org/default.html
- Southern Illinois University Center for Autism Spectrum Disorders: <http://www.casd.siu.edu/dvd/dental dvd.html> – this is the DVD that was developed specially for dental visits. They also have one on medical visits. Ronda Demattei is the Hygienist that worked on these videos (and is in the video!) and I'm sure she would be happy to discuss this with you: rondad@siu.edu

Transition Websites and Resources:

- The Oregon Youth Transition Program (YTP) is a comprehensive transition program for youth with disabilities operated collaboratively by the Oregon Office of Vocational Rehabilitation Services (OVRs), the Oregon Department of Education (ODE), the University of Oregon (U of O), and local school districts statewide in Oregon. The purpose of the program is to prepare youth with disabilities for employment or career related post-secondary education or training, <http://www.ytporegon.org/>
- Center on Self-Determination, Oregon Health & Science University, <http://www.ohsu.edu/oidd/CSD/>
- Autism Speaks, Transition Toolkit, <http://www.autismspeaks.org/family-services/tool-kits/transition-tool-kit>
- The National Health Care Transition Center, <http://www.gottransition.org>, supported by a cooperative agreement between the US Maternal and Child Bureau and the Center for Medical Home Improvement, includes link to Clinical Practice Guidance and Algorithm on transition jointly developed by the AAP, the American Association of Family Physicians and the American College of Physicians.
- Adolescent Health Transition Project at University of Washington, <http://depts.washington.edu/healthtr>, includes the Adolescent Autonomy Checklist, a transition timeline and a guide to Parent-Child Self Management
- Florida Health and Transition Services (HATS), a comprehensive transition resource site that links to documents from a number of other transition sites, <http://www.floridaHATS.org>
- Health Care Provider Checklist, http://www.hrtw.org/tools/check_provider.html
- Healthy and Ready to Work (HRTW) National Center, variety of tools and checklists for providers including transition checklist and templates for care plan, medical summary and emergency management plan <http://web.syntiro.org/hrtw//tools/index.html>

- Healthy Transition NY, a comprehensive transition resource site for youth with developmental disabilities that includes tools for scheduling an appointment, managing medications, speaking up at the doctor's office and setting health goals <http://www.healthytransitionsNY.org>
- Transition resources from the Waisman Center, Transition to Adult Health Care: Training Guide in Three Parts http://www.waisman.wisc.edu/cedd/pdfs/products/health/TAHC_2.pdf
 - Transition to Health Care Checklist: Preparing for Life as an Adult: <http://www.waisman.wisc.edu/cedd/pdfs/products/health/THCL.pdf>

Other Oregon Resources:

- CaCoon Care Coordination/public health, <http://www.ohsu.edu/xd/outreach/occyshn/programs-projects/cacoon.cfm>
- Developmental Disability services, <http://www.oregon.gov/DHS/dd/>
- Department of Vocational Rehabilitation, <http://www.oregon.gov/DHS/vr/>
- Seniors and Persons with Disabilities, <http://www.oregon.gov/DHS/spwpd/index.shtml>
- Family 2 Family Health Information Center, <http://www.oregonfamilytofamily.org>
- Swindell's Resource Center, <http://oregon.providence.org/patients/programs/swindells-child-disability-resource-cent/Pages/default.aspx>
- Community resource guides, 211, <http://www.211info.org/> and the Parent Help Line in Lane County, <http://birthto3.org/parents>
- Oregon Health Authority, Office of Health Policy and Research, Patient Centered Primary Care Home Program, <http://www.primarycarehome.oregon.gov/>

National Organizations, Advocacy Groups and Projects:

- Autistic Self-Advocacy Network (ASAN), www.autisticadvocacy.org
- Self-Advocates As Leaders (SAAL), www.asksaal.org
- Academic Autistic Spectrum Partnership In Research and Education (AASPIRE) project, www.aaspire.org
- Autism Society of America, www.autism-society.org
- Autism Speaks, national advocacy group on Autism Spectrum Disorder, www.autismspeaks.org,

- National Autism Center and National Standards Project, <http://www.nationalautismcenter.org/>
- UCSB Koegel Autism Center, <http://education.ucsb.edu/autism/>
- Hands In Autism, www.handsinautism.org
- Center for Autism and Related Disabilities (CARD) at Florida State University, <http://autism.fsu.edu/>
- Ohio Center for Autism and Low Incidence (OCALI), <http://www.ocali.org/>
- UC Davis MIND Institute, www.ucdmc.ucdavis.edu/MINDInstitute/
- Autism Intervention Research Network on Physical Health (AIR-P), Autism Speaks, <http://www.autismspeaks.org/science/resources-programs/air-p>
- UCLA Autism Intervention Research Network on Behavioral Health (AIR-B), www.asdweb.org
- Social Security Administration, supplemental security income program for children, <http://www.ssa.gov/applyfordisability/child.htm>

Emergency Preparedness and People with Disabilities:

- Tools and Trainings from CDC-Funded States, <http://www.cdc.gov/Features/EmergencyPreparedness/>
- Tool Kit from Oregon Office on Disability and Health, <http://www.ohsu.edu/oidd/oodh/publications/protected/ER%20PREP%20TOOLKIT%20pics%20-%20FINAL%20-with%20pictures.pdf>

Emergency Medical Services Resources:

- Emergency Medical Services from Autism Speaks, www.autismspeaks.org/family-services/autism-safety-project/first-responders/emergency-services
- Information for paramedics and emergency room staff from the Autism Society of America, http://support.autismsociety.org/site/DocServer/Paramedics_and_Emergency_Room_Staff.pdf?docID=10942
- Autism Risk and Safety management website of Dennis Debbaudt, <http://www.autismriskmanagement.com/>
- Autism Awareness training for First Responders and Caregivers (trainings and program are proprietary), <http://www.autismalert.org/>

- Autism Preparedness for EMS Professionals, presentation handout, <http://www.autismems.net/media/Handout.pdf>
