

OOPS! What is wrong with this picture? Quite a few things make this kitchen potentially dangerous. Find the hazards (see tips below) and discuss ways to make this a safer place. Also, be sure to use this page as a coloring activity.

TIPS:
 1. Pot cooking on a stove with handle sticking out. 2. Poisonous products stored in low shelves. 3. Cord dangling from ironing board. 4. Cup with hot liquid within reach. 5. Sharp objects on counter. 6. Cabinets have no safety latches. 7. Matches on floor.
