Recruiting ORPRN Projects

### Accountable Health Communities (AHC)
**PI:** Bruce Goldberg, MD  
**Funder:** Centers for Medicaid and Medicare Services  
**Setting:** Curry, Jackson, Josephine, Crook, Deschutes, Jefferson, Hood River, Wasco and Yamhill Counties  
**Topic:** ORPRN acts as the bridge organization of a consortium to screen Medicaid and Medicare beneficiaries for health-related social needs and connect them to community services.

### EOCCO Transformation Community Benefit Initiative Reinvestments Program (EOCCO)
**PI:** Lyle Fagnan, MD; Anne King, MBA  
**Funder:** Moda Health  
**Setting:** Eastern Oregon  
**Topic:** ORPRN administers the TCBIRP which provides funding and technical assistance to health systems, clinics, public health, social service agencies and community advisory councils aimed at improving health care and population health in Eastern Oregon.

### Oregon ECHO Network
**Funder:** Various, including Coordinated Care Organizations, Department of Human Services, Oregon Health Authority  
**Setting:** Statewide  
**Topic:** A tele-mentoring education model designed to build the capacity of primary care clinicians, and educate clinical teams on a variety of topics.

### Technical Assistance Contracts
**Funder:** Coordinated Care Organizations, Oregon Health Authority, Community Organizations  
**Setting:** Various  
**Topic:** Provide technical assistance on various topics including oral health, quality improvement, project management and grant evaluation.

### COPD Assessment in Primary Care to Identify Undiagnosed Respiratory Disease and Exacerbation Risk (CAPTURE)
**PI:** Fernando Martinez, MD (Weill Cornell Medicine) & MeiLan Han, MD (University of Michigan); LJ Fagnan, MD (site PI)  
**Funder:** National Heart, Lung, and Blood Institute (NHLBI)  
**Setting:** 15-20 practices in Oregon  
**Topic:** Assess the ability of a 5-question screener, CAPTURE, to identify people at risk of COPD, and assess the best methods to implement CAPTURE screening within primary care practices.

### Increasing HPV Immunization Rates: The Rural Adolescent Vaccine Enterprise (RAVE)
**PI:** LJ Fagnan, MD; Patricia Carney, PhD  
**Funder:** American Cancer Society (ACS)  
**Setting:** 40 practices Statewide  
**Topic:** Test novel interventions in rural primary care practices and rural community-based organizations intended to increase HPV vaccination completion in both males and females aged 11-17 years.

### Meta-Network Learning and Research Center Advanced Care Planning (Meta-LARC ACP)
**PI:** Annette Totten, PhD (US); France Légaré, MD, PhD (Canada)  
**Funder:** Patient-centered Outcomes Research Institute (PCORI)  
**Setting:** Wisconsin, North Carolina, Colorado, Iowa, Quebec, Oregon, Ontario  
**Topic:** A cluster-randomized trial comparing team-based versus primary care clinician-focused advance care planning in practice-based research networks.

### Understanding HPV Vaccine Uptake in Oregon – a supplement (HPV P30)
**PI:** Jackilen Shannon, PhD, MPH  
**Funder:** National Cancer Institute (NCI)  
**Setting:** Wasco, Sherman, Gilliam, Curry, Coos, Klamath, and Lake counties  
**Topic:** Understand barriers, facilitators and overall community attitudes about HPV vaccination.
