

IACUC OUTREACH PROGRAM

A new approach to providing convenient onsite IACUC Analyst support

“WE’RE HERE TO HELP YOU PUT THE PIECES TOGETHER!”

Who has a part in the IACUC Outreach Program?

- IACUC Analysts will be available to work on-site with Principal Investigators (PIs) and their staff.

What does the IACUC Outreach Program do?

- Provide an opportunity for Analyst support at your office or laboratory when it is convenient for you.
- Provide up to date information on new policies and standardized procedures that apply to your work.
- Provide hands on training when using the eIACUC system.
- Provide personalized assistance in protocol and modification development and submissions.

When can you expect to hear from us?

- We will do our best to reach out to you when you are most likely to need Analyst support, such as when you have protocols or modifications in review, or when your protocols need their 3-year renewal.

Where?

- An Analyst will be available to meet with you where and when it is convenient for you.

Why?

- The IACUC Office is always seeking to improve our customer service. Please let us know what resources, services or information would be helpful for you.
- The feedback that you provide will be used to enhance the IACUC Outreach Program and create new resources for our research community.

How can you get more information?

- Contact your analyst directly or the CWC Main IACUC Office at 503.494.8408 or IACUC@OHSU.edu any time for Outreach Program Services.
