

Important Details:

*Materials will be emailed prior to the course day. You will be **responsible to bringing these materials** to the sessions and may either **print out OR bring and view via a laptop or iPad**. No copies will be available at class. We will have power strips available, and the room also has Wi-Fi.

- The doors will not open until time listed on agenda due to room set up. At that time registration begins.

- It is recommended that you bring/wear layers. We may not be able to adjust the thermostat and want you to be comfortable.

*For those of you traveling to the OHSU Center for Health and Healing (CHH) from elsewhere, please see this website which has directions and a map of the south waterfront campus where CHH is located:

<http://www.ohsu.edu/xd/health/ohsu-near-you/portland/south-waterfront/chh.cfm>

Unfortunately we are not able to provide parking passes, however parking is available at CHH.

*For those attending from the VA, you can access CHH from the main hospital by taking the aerial tram down to the water front campus:

<http://www.portlandtram.org/>

Please feel free to ask me any questions: Kimberly Poole, poolek@ohsu.edu.
