Info Session: Innovate Challenge

Student Pitch Competition

Are you an OHSU student and interested in learning about innovation and entrepreneurship? Drop by anytime during our info session to learn more and see if the Innovate Challenge pitch competition is a fit for you.

Why participate?

- TWO chances to win a spot to compete in the regional InventOR Collegiate Challenge, includes $2,000 prize for prototype design and opportunity to participate in PSU’s Lab2Market weekend in May
- Personalized mentorship and training in basic business concepts, prototype design, and commercialization
- Learn how to effectively pitch your ideas
- Gain practical experience with innovations and transferable business skills
- Great resume builder!

Already know you want to participate?
Register here: [https://is.gd/OHSUPitchCompetition2019](https://is.gd/OHSUPitchCompetition2019)

The Pitch Competition will take place in Spring 2019, InventOR finals are in June 2019. No experience or developed idea necessary, all OHSU students and topic areas welcome.
