Starting a company at OHSU

Are you hoping to start a company based on your innovation or idea? Are you interested in learning more about the process and what it takes to launch a startup? If you think you have what it takes to launch a company, come join us for a Lunch & Learn presentation on “Starting a company at OHSU.”

OHSU has recruited two Entrepreneurs-in-Residence (EIRs) – local entrepreneurs and startup professionals - to help innovators take their early-stage idea to market through starting a company. Our EIRs are experienced and knowledgeable in starting bioscience and med tech companies and are here solely to help OHSU faculty navigate the challenging process. Come learn what they have to provide for you! No RSVP is necessary. Complimentary food & drink will be served.

September 29, 2015
12:00 pm - 1:00 pm
Marquam Hill Campus,
Mackenzie Hall, Room 2201

For more information, contact Karen Boren at borenk@ohsu.edu or 503-494-3229.
