

VISITOR BREASTFEEDING & PUMPING ROOMS – VISITOR

OHSU has established spaces that are available for breastfeeding or expressing breast milk. These locations are designated for visitor use, have accessible electrical outlets for an electric breast pump and have a sink close by for hand washing and rinsing of breast pump parts. Private offices within proximity of facilities for hand washing may also be suitable for breastfeeding activity.

Designated Visitor Breastfeeding/Pumping Areas

The following locations may be used for breastfeeding or expressing milk. Directions to these rooms can be provided by Concierge Services (include link to locations and hours) and Physicians Pavilion Pharmacy (include link to location, hours, phone number). An escort to these rooms may be also possible both from Concierge Services and the Physicians Pavilion Pharmacy.
