Story of School-Based RHCs

Objectives

1. Understand benefits of SBHC and School Relationship
2. Understand sustainability models for School-based RHC

What is a School-Based Health Center?

Partnerships created by **schools and community health organizations** to provide **on-site** medical, mental health, and/or oral health services that promote the **health and educational success** of school-aged children and adolescents

- National Association of School Based Health Centers

Benefits for Providers

- Access to populations
- Strengthen community relationships
- Ability to communicate with targeted populations
- Provide family care

Benefits for School Districts

- Increase access to care
- Supportive resources
- Student care
- Resources for questions

7 Keys to Successful Partnership

- Regular communication
 - Formal
 - Informal
- Planning
- Intentional programming
- School nurse partnership
- Flexible access
- Non-Site based activities
- Expanded partnership opportunities

BIENESTAR PARA EL FUTURO.

United Health Centers brindará cuidado de salud a los estudiantes ayudando a reducir el tiempo que están fuera de clase.

Médico | Exámenes Físicos | Vacunas

UNITED HEALTH CENTERS

Al servicio de toda la familia

TODOS SON BIENVENIDOS
¡Ubicado dentro de las instalaciones de la escuela!

UNITED HEALTH CENTERS
COMMUNITY HEALTH CENTER

The advertisement features a blue background with white and orange text. On the left, there is a circular logo for United Health Centers with a caduceus and hands holding a leaf. Below the logo is a stack of books with a red apple on top. On the right, there is a photograph of a modern building with a red and white facade, labeled 'UNITED HEALTH CENTERS' and 'COMMUNITY HEALTH CENTER'. A yellow starburst graphic contains the text 'TODOS SON BIENVENIDOS ¡Ubicado dentro de las instalaciones de la escuela!'.
